Carolyn, I'll include this on the call today, but thought you might want more detail, so below is what I put in my weekly report here.--Cindy

- Upcoming Outreach To Elected Officials On Portland Harbor Superfund Site:

Outreach for the upcoming Portland Harbor Superfund site proposed cleanup plan includes several briefings for elected officials. On March 29, ECL Remedial Program Manager Cami Grandinetti will have a conference call with staff from the offices of OR Senators Jeff Merkley and Ron Wyden and from the offices of OR Representatives Earl Blumenauer and Suzanne Bonamici. On March 30, OSRTI Director Jim Woolford, RA Dennis McLerran, and Oregon will meet with OR Representatives Blumenauer, Bonamici, and Peter DeFazio, as well as staff for Senator Wyden and for Representative Kurt Schrader. On March 31, there will be a similar meeting for Senator Merkley. That day Dennis McLerran, Cami Grandinetti, PAD Marianne Holsman, and OOO Director Anthony Barber will also meet with state legislators for the Portland area and representatives from the City of Portland.
